

KRISTEN ORWIG

Recreational/Company Instructor/Choreographer

My name is Kristen Orwig and I am entering into my 15th year of teaching at Tiffany & Co. T&Co, has become my second home as I grew up dancing here alongside my sister, Miss Alicia, since the age of 7, and have stayed ever since! I started assisting at the age of 17 and happily accepted a teaching position in the fall of 2010. I graduated from Carroll High School in 2009, where I was a member of the Electric Blue Dance Team, and went on to attend IPFW. I graduated in May 2017 with a Bachelor of Science Degree in Biology. At IPFW, while working towards achieving my degree, I took several dance classes and performed in IPFW's "Purely Dance" for three years. I then went on to earn my Masters degree in Healthcare Administration from the University of Saint Francis. Although I spend my nights at the studio teaching some pretty great kids, I spend my days at my full-time job working as the Practice Manager at the Garrett Veterinary Hospital. I am so excited to start another dance season here at T&Co, and cannot wait to see the growth and accomplishments of all the dancers throughout the season. Dance has always been something near and dear to my heart, and being able to teach, inspire, and pass on a love of dance, along with the rest of the amazing faculty, to all of the dancers, is a true blessing! Here's to a wonderful year full of memories and fun! GO GO T&CO!
